

Data protection information for customers and interested parties

We, vision-tec gmbh, Otto-Hahn-Str. 5, 34123 Kassel, Tel.: +49 (0) 561 979800-00, E-Mail: info@vision-tec.de would like to explain to you below which of your data we process and how. Should you have any questions relating to data protection, our data protection officer would be happy to respond at datenschutz@dsb-moers.de.

Purpose of the data processing

The purpose of the data processing is the initiation and execution of the contract on the basis of Art. 6 Para. 1 lit. b. GDPR.

Recipient categories

In the context of providing the service, we use various service companies committed to confidentiality and data protection for special areas where access to personal data cannot be excluded. These categories of recipients are: Hosting and IT service companies. Data will only be passed on to authorities in the event of overriding legal provisions. Data is not transferred to third countries for processing purposes.

Duration of data storage and deletion

Your data will be stored for the duration of the contract; after the end of the contractual relationship, we are obliged to keep the tax-relevant documents for 10 years after the annual financial statement and the end of the calendar year. The data will then be deleted.

Your right to information, rectification, deletion, object and data portability

You may exercise your right to information, correction and deletion of data at any time. Simply contact us using the methods described above. If you wish your data to be deleted but we are still legally obliged to retain it, access to your data will be restricted (blocked). The same applies in the event of an objection. You may exercise your right to data portability, insofar as the technical possibilities are available to the recipient and to us.

Right of appeal

You have the option at any time to file an appeal with a data protection supervisory authority.

Obligation to provide

Without correct information from you, it is not possible to close a contract.
